

---Sew with the Flow---

Come to the **Sew & Save Room** at the 66th NSDC for a myriad of sewing and crafting activities. Displays, presentations, pattern tracing, Make&Take crafts, give-aways, raffle – all this and more!

Learn from experienced sewers. **Presentations** include: “**Ruffles**” with Becky Wilson; “**Petti-Pants**” with Sue Scherwitz; “**Men’s Shirts**” and “**Fitting Blouses & Bodices**” with Karen Reichardt; “**Freshen Up Your Attire**” with Lacey Hill; “**Circle Knit Top**” with Laura Stewart; “**Reversible Skirt**” with Jan Waryk; and several **more!**

Make & Take crafts include a Buckeye Necklace (a great Ohio souvenir!), fun pins and ornaments, beaded scarf, and the 66th NSDC Quilt Block.

Trace patterns for your next outfit: skirts, tops, sleeves, collars, etc. Visit our exchange table of donated patterns, fabric, trims, notions – take home a treasure --- or leave one for someone else!

Visit each day for new ideas, daily give-aways, and tickets for the “free” raffle, which features articles of square dance clothing and many other interesting items.

If you have an item you would like to donate to the raffle or exchange table, or would like to volunteer to help in the Sew & Save room, please contact either Becky at brfiesty1@gmail.com or Mary at maryfash@hotmail.com
